# FINDING YOUR ZEN

shown on front: **AIN20 12x24** Emperador Beige Matte

Classic designs paired elegantly with modern formats make Florida Tile's Ainslee Park the perfect option for today's easy eclectic spaces. Marble looks feature bold graphics that allow each color to be a standout in the crowded world of interior decor. Glossy ceramic wall and matte porcelain floor tile coordinate beautifully to allow for a continuous design theme throughout any space.

Four distinct colors: **Breccia Mist** is a cool gray with strong veining of dark smoke and wispy whites. **Emperador Beige** is a warm sandy neutral with a bright elaborate vein. **Calacatta Gold** is evocative of its namesake stone featuring a thick gray vein graphic with a subtle gold undertone. **Zebrino Taupe** is the stunning zenith of this collection with linear veins of cool gray and warm taupe.

Matte porcelain floor tiles are available in 3.75x12 and 12x24. Calacatta Gold is also available in 12x12. A diverse selection of mosaics and accessory pieces round out this flexible collection:

- 36-piece mesh-mounted mosaic in Breccia Mist, Calacatta Gold, and Emperador Beige
- 1x6 mesh-mounted, stack mosaic in Zebrino Taupe
- Mesh-mounted, hexagon mosaic featuring a mix of Breccia Mist and Calacatta Gold.
- Matte, porcelain 3x12 floor bullnose in all colors

Ainslee Park glazed porcelain tile is appropriate for most residential and commercial wall, countertop, backsplash, and floor applications. With the exception of select trim and ceramic field tile, this line is made in the USA at our Green Squared® certified Advanced Manufacturing Center in Lawrenceburg, KY. It includes pre-consumer recycled content and is GREENGUARD® and Porcelain Tile certified.

## Typical Uses

Ainslee Park glazed porcelain tile is appropriate for most residential and commercial wall, countertop, backsplash and floor applications.

Notice: Not all flooring products are suitable for wet areas, specialized applications, or commercial use. Please refer to the American National Standard Specifications for Ceramic Tile (ANSI® A137.1) for ceramic, stone, and glass installation for specific usage and installation information.

This Florida Tile product will contribute to USGBC LEED® points and the ANSI® approved NAHB® Green Building Points.

| Field Tile<br>Nominal Size (in) <sup>1</sup> | Metric (cm) | Pcs./Sq Ft <sup>2</sup> | Thickness <sup>3</sup> | Edge      |
